ALL ABOUT PALI:

Facilities

- Pali sits on 74 acres in the San Bernardino National Forest
- New Dining Hall equipped with spacious dining area & classroom space
- Our wellness center is operated by medical staff who provide 24/7 care & support
- We have 5 ropes courses, 4 archery ranges, hiking trails, basketball courts & recreation field

Classes

- Program is completely customizable
- Teachers choose from 30+ classes with a focus in Outdoor Education, Science, or Leadership
- We offer 9 different evening activities that focus in educational or social fun
- Teachers are not required to teach or lead activities, giving them the opportunity to observe & bond with their students
- Curriculum aligns with Common Core & Next Generation Science Standards

Accommodation

- Students stay in cabins with our instructors
- Cabins house 11 students & are equipped with built-in wood bunks, 2 or 3 private bathrooms, heating, & disinfected daily
- Teachers have semi-private accommodations & do not stay in cabins with the students

Staff

- Our instructional staff are 21+ years of age
- Instructors have obtained a bachelor's degree
- All staff receive a fingerprint & background check
- Our staff to student ratio is 1 to 10

Accreditations

- WASC Accredited (Western Association of Schools & Colleges)
- AEE Accredited (Association of Experiential Education)
- Pali is the only Outdoor Education program to hold both WASC & AEE accreditations
